

Product Information

CT #509

Performance Grade Fiberglass Reinforced Filament Tape

509 is a performance grade, heavy duty, and fiberglass reinforced polyester filament tape with a translucent rubber adhesive.

Application:

- High tensile filament tape used in a variety of demanding applications such as bundling, core starting, and tabbing of metal coils

TECHNICAL DATA

Adhesive	Translucent Rubber
-----------------	--------------------

Substrate	Fiberglass Reinforced Polyester
------------------	---------------------------------

Thickness	6.9 Mils (0.175 mm)
------------------	------------------------

Adhesion to Steel	39.9 oz/in (4.37 N/cm)
--------------------------	---------------------------

Tensile Strength	250 lbs/in (437.8 N/cm)
-------------------------	----------------------------

Elongation (% at Break)	4
-----------------------------------	---

The data provided are nominal values based on PSTC, ASTM, and other standard tests. The data should not be considered specifications.
